2. Daily Schedule, Multi-Avatars & Attendance Alarms

- **Chronological Class Grid (5:00 AM – 11:00 PM):** All 1-hour and multi-hour slots are clearly mapped with student avatars, instrument tags, and real-time status badges.
- **Multi-Avatar Sibling Duo & Trio Clusters:** When siblings attend together, the app renders overlapping circular photo badges with live head counts.

- **Interactive Touch Photo Crop & Zoom:** Tap any student avatar to pan, drag, and zoom photos into crisp 1:1 square WebP avatars directly on mobile.
- **Live Class Time Unmarked Attendance Alarm:** When class time starts and attendance is unrecorded, the app plays an audio alarm and sends a high-priority push notification with [✓ **Present**] and [X **Absent**] action buttons.

3. Zero-Error Data Backup & Safety Restores

- **1-Click JSON & SQLite DB Export:** Download clean encrypted snapshots directly in ■■ **Settings** → **Backup & Data**.
- **Automated Pre-Reset Emergency Archives:** Before any reset or wipe, the server automatically writes a timestamped pre-reset JSON snapshot to prevent accidental data loss.
- **Protected Coach Credentials:** Custom coach PINs are hashed with salted PBKDF2 SHA-256 and never overwritten on system reboot.
