COACH PASSCODE (PIN)
[4-digit PIN]

Log in as Music Sir

Brochure & Fee Structure

Step 2: Enter your confidential 4-digit Passcode

Enter your 4-digit administrative passcode on the PIN-pad. The portal automatically logs you in and opens your daily schedule.

2. Daily Schedule (5 AM – 11 PM) & Multi-Hour Cards

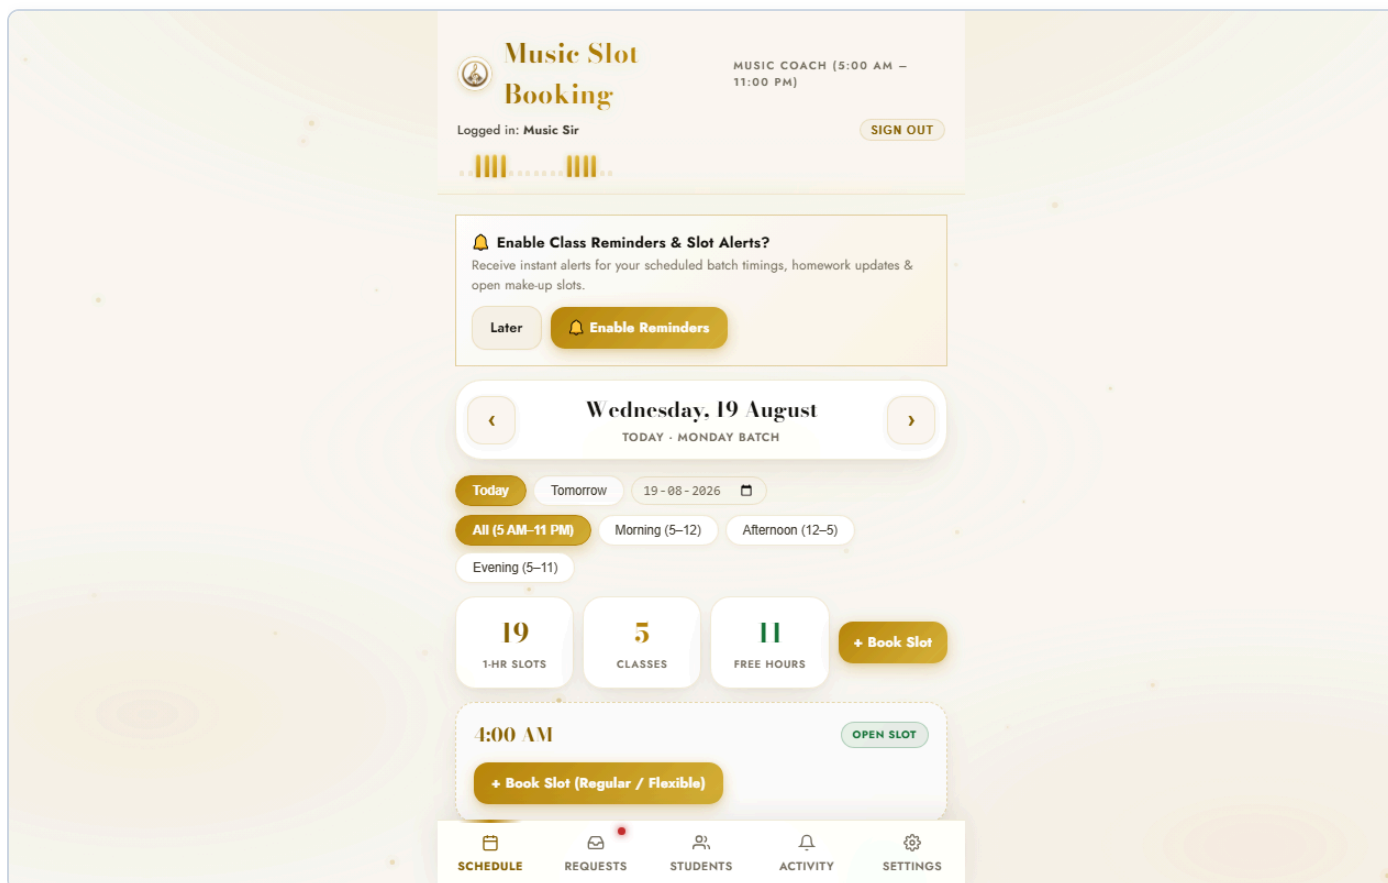

Figure: Daily Schedule Grid with Continuous Multi-Hour Spanning

Header Navigation & Tools:

- **Date Picker:** Switch between Today, Tomorrow, or any calendar day.
- **[+ Book Slot] Button:** Manually enroll a student or sibling group directly into a slot.
- **[🔔 Push Bell]:** Enables push notifications so you receive instant alerts on new student applications.
- **[🎵 Alarm Bell]:** Unlocks audio alarm reminders for upcoming classes.

3. Attendance Marking & Auto Make-up Slot Recovery

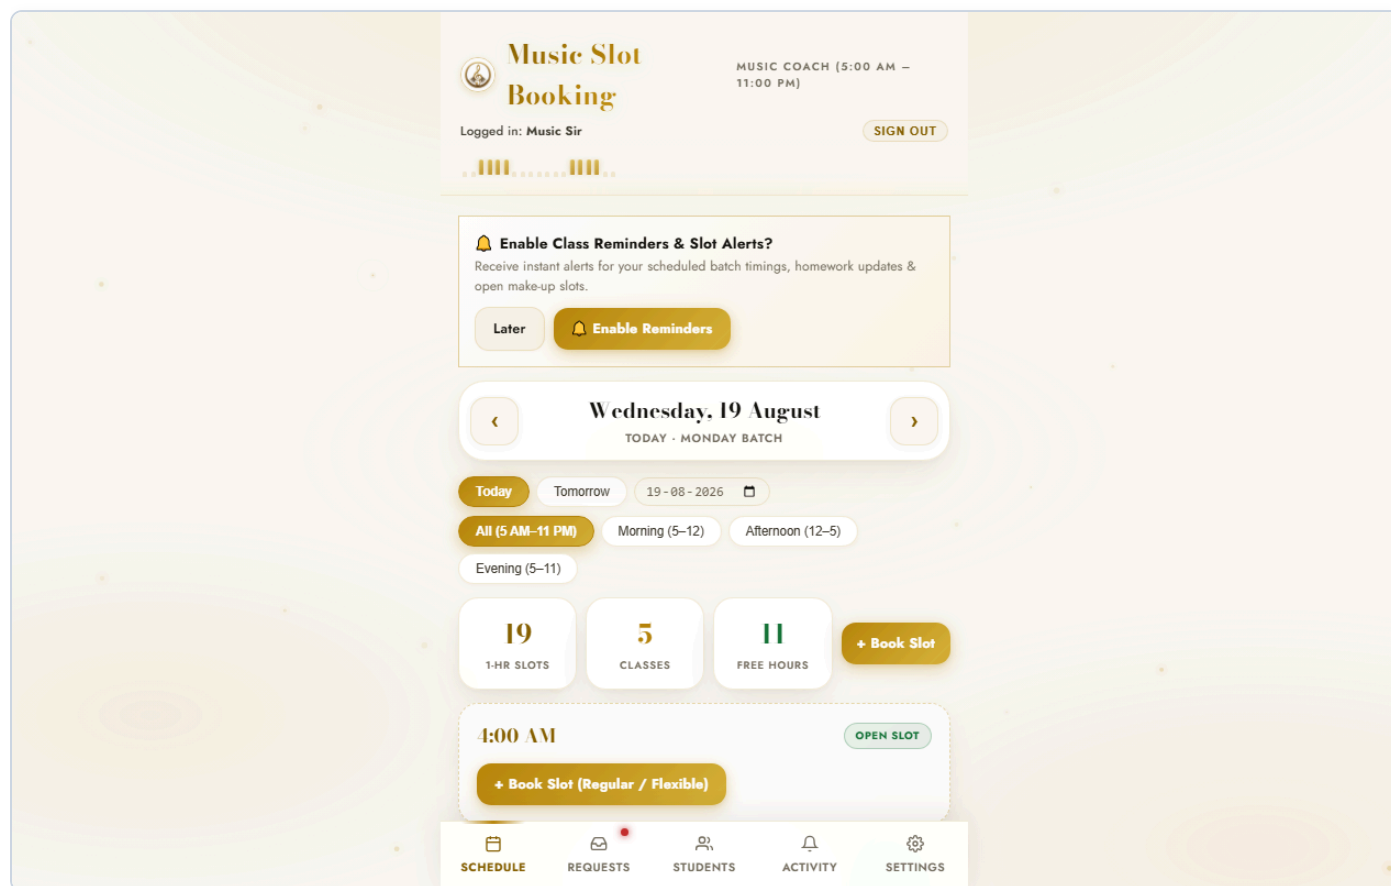

Figure: Sir's Student Enrollment Modal with Batch Selection

How to Mark Attendance:

- Click [✓ **Present**]: Student card turns green and logs attendance immediately.
- Click [✗ **Absent**]: Student card turns red (absent) AND automatically creates an **Open Make-up Slot** for flexible students to claim!
- **WhatsApp Reminders**: Click [ **WhatsApp**] next to any student to send a pre-formatted class reminder text with 1 tap.

4. Student Roster, Lesson Progression & Homework

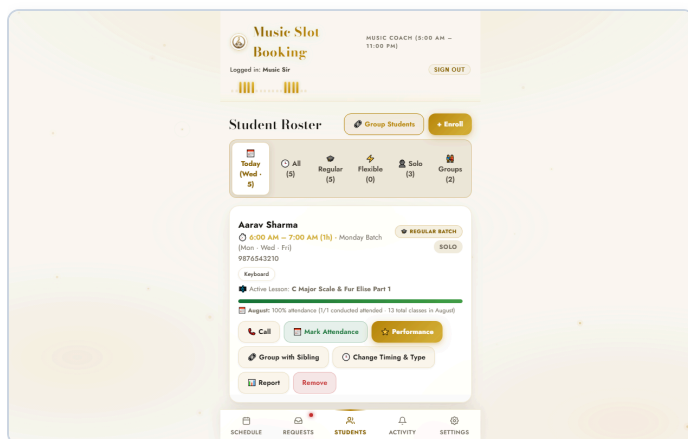

Figure: Student Roster with Instrument Badges

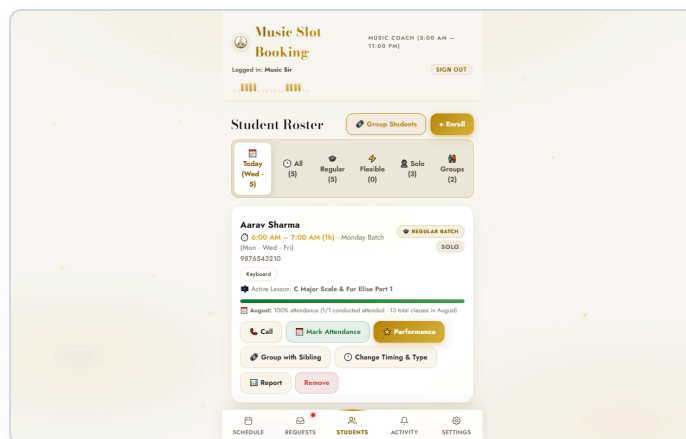

Figure: Lesson Progression & Homework Modal

Roster Tab Operations:

- **Search Bar:** Find any student instantly by Name, Phone, or Instrument.
- **[📄 Update Lesson]:** Open the modal (Fig above) to update the student's current song/lesson and assign practice homework.
- **[🕒 Change Timing]:** Move student to a different time slot or weekly batch.

5. Reviewing & Approving Student Join Requests

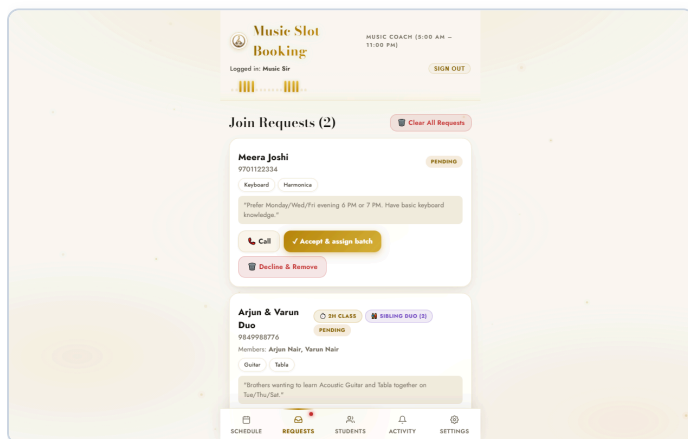

Figure: Pending Join Requests Tab

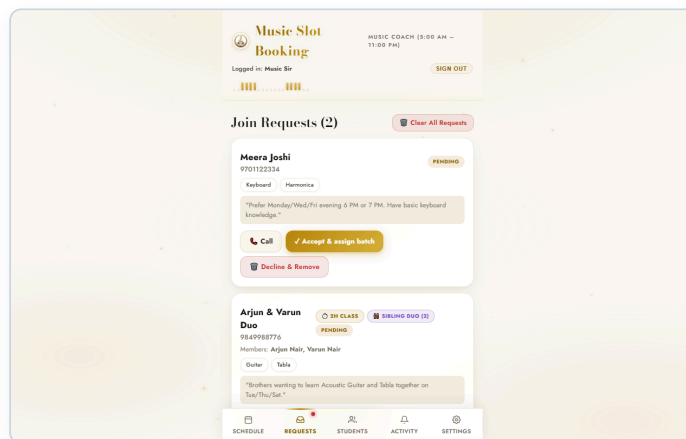

Figure: Smart Batch Assigner Modal

⚡ Approving Applications:

1. Go to the **"Requests" Tab**.
2. Click **[✓ Accept & assign batch]**.
3. Select **Monday Batch** or **Tuesday Batch**. The dropdown automatically shows only free, available starting slots.
4. Click **"Confirm & Place Student in Batch"**. The student is instantly placed on your schedule!

6. Studio Settings, 5 AM–11 PM Slots & Notifications

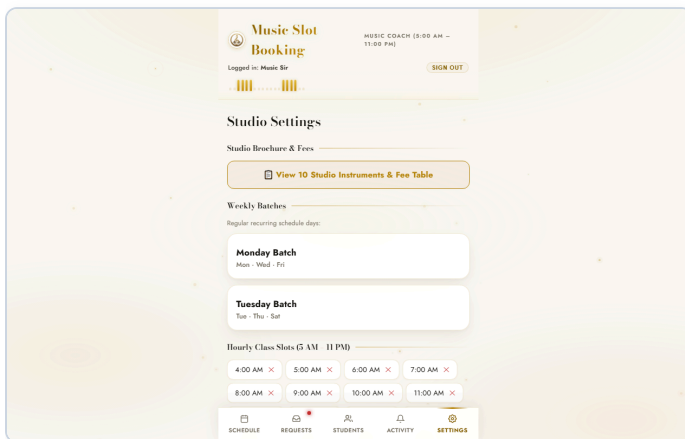

Figure: Settings Tab with 5 AM–11 PM Slots

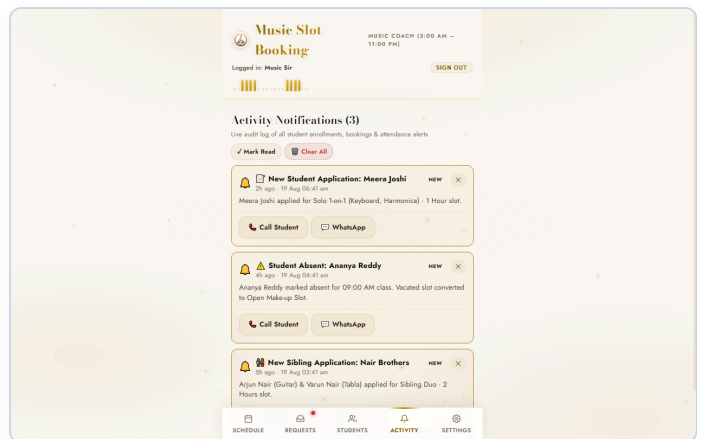

Figure: Activity Notifications with Clear All

⚙️ Studio Configuration:

- **Hourly Class Slots (5 AM – 11 PM):** Tap slot chips to enable/disable or add custom slots (e.g. 5:00 AM, 6:00 AM). *All changes save permanently in SQLite.*
- **Weekly Batches:** Configure Monday Batch (Mon · Wed · Fri) and Tuesday Batch (Tue · Thu · Sat).
- **WhatsApp Template:** Customize reminder template with {name} and {time}.
- **Activity Log:** Review all student bookings and join requests with single [X] and [🗑️ Clear All] controls.
